Ladies and Gentlemen!

Ministry of Energy of Turkmenistan and the Chamber of Commerce and Industry of Turkmenistan, invite you to take part in the international exhibition and scientific conference "The main trends of development of power industry of Turkmenistan" which will be held on 7-9th of September 2017 in the Chamber of Commerce and Industry of Turkmenistan.

The international exhibition and scientific conference "The main trends of development of power industry of Turkmenistan" has achieved well-deserved recognition not only as a key event of the power industry of Turkmenistan, but also as an important international forum where participants take the opportunity to get extended information about the investment climate and prospects of development of the energy sector of Turkmenistan.

The international exhibition will be a platform of intensive exchange of experience and a meeting place for representatives of the power industry, both public and private sectors. Exhibitors will demonstrate their best achievements that will soon be able to be implemented into specific contracts and projects.

We will be happy to welcome you among the participants of the international exhibition and scientific conference "The main trends of development of power industry of Turkmenistan".
